## ADDITIONAL INFORMATION

### Profile

#### Profile

---

Highly motivated and results-driven student with experience in project management and strategic planning. Strong track record of successfully delivering complex projects within budget and on schedule, and committed to maintaining high standards of excellence in all aspects of my work. Proven to possess these skills by delivering my projects on time as a student at [HELB](#) and as a developer at [ZANGRA](#). I am looking for a job in web development.
